BLOCK PIECING
Make 3

ASSEMBLY

- 1** Wash and press fabrics. Cut the patches and strips listed in the materials and cutting box and shown in the rotary cutting diagrams. Prepare the applique patches for your favorite method of applique. The yardage requirements allow for turned-edge applique. Set the applique patches aside.
- 2** Referring to the block piecing diagram, join the patches as shown to make a block. Make 3.
- 3** Referring to the quilt assembly diagram, join the blocks alternately with the sashes as shown. Sew a border to each side of the quilt top, matching centers and ends.

QUILT ASSEMBLY

- 4** Referring to the quilt picture, position the leaves and petals, alternating the white and light yellow petals as shown. Position the flower centers as shown. Baste, and then applique the patches in place. Place the quilt top face down on a padded surface and press.
- 5** Layer the backing, batting, and top. Baste. Echo quilt around the applique. Quilt a $\frac{1}{2}$ " grid in the blocks, but do not cross the echo quilting around the applique. Quilt a meandering vine in the sashes and borders. Bind the quilt to finish.

ROTARY CUTTING

Measurements include $\frac{1}{4}$ " seam allowances. Align arrows with lengthwise or crosswise grain of fabric.
