

Pants Pocket

DESIGNED AND MADE BY PAM ROCCO

Blue-jean pockets inspired Pam Rocco's quilt design. The pocket shape became a foundation-pieced block; top stitching on the jean pocket suggested the band that divides the pocket shape. Practice the block by making Rocco's quilt then adapt her block to create your own design.

ASSEMBLY

- 1** Wash, starch and press fabrics. Make 24 copies of the pants pocket foundation. Cut the patches listed in the materials and cutting box and shown in the rotary cutting diagrams.
- 2** Referring to the quilt assembly diagram for color placement, foundation piece 24 pants pocket blocks.
- 3** Referring to the quilt assembly diagram and noting block orientation, arrange the A's and blocks alternately in 8 rows of 3 A's and 3 blocks each. Join the A's and blocks in rows then join the rows.
- 4** Mark quilting motifs as desired. Layer the backing, batting and quilt top. Baste. Quilt as marked or as desired. Bind the quilt to finish.
