

Starring Tim *and* the Cousin Norma Earrings

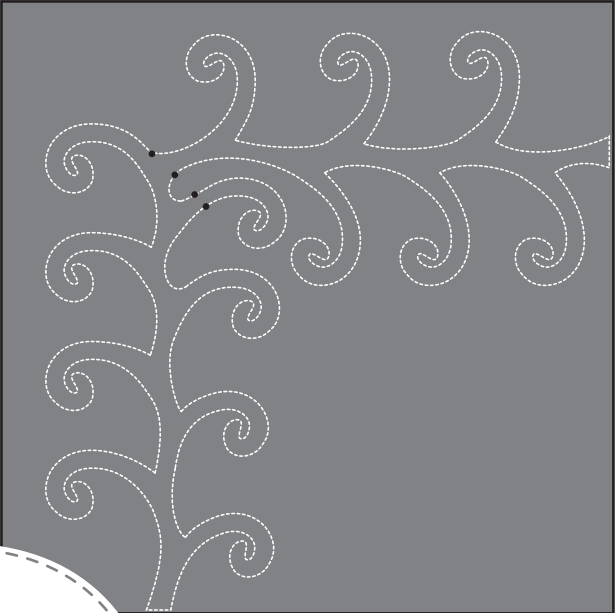

What's pink and black and white all over? Why, Marla Whalen's quilt Starring Tim and the Cousin Norma Earrings, of course! With a strip-pieced Lone Star, an appliqued border with blinged-out yo-yos, and a star-studded outer border, this quilt has something to offer everyone who appreciates a little drama in their lives.

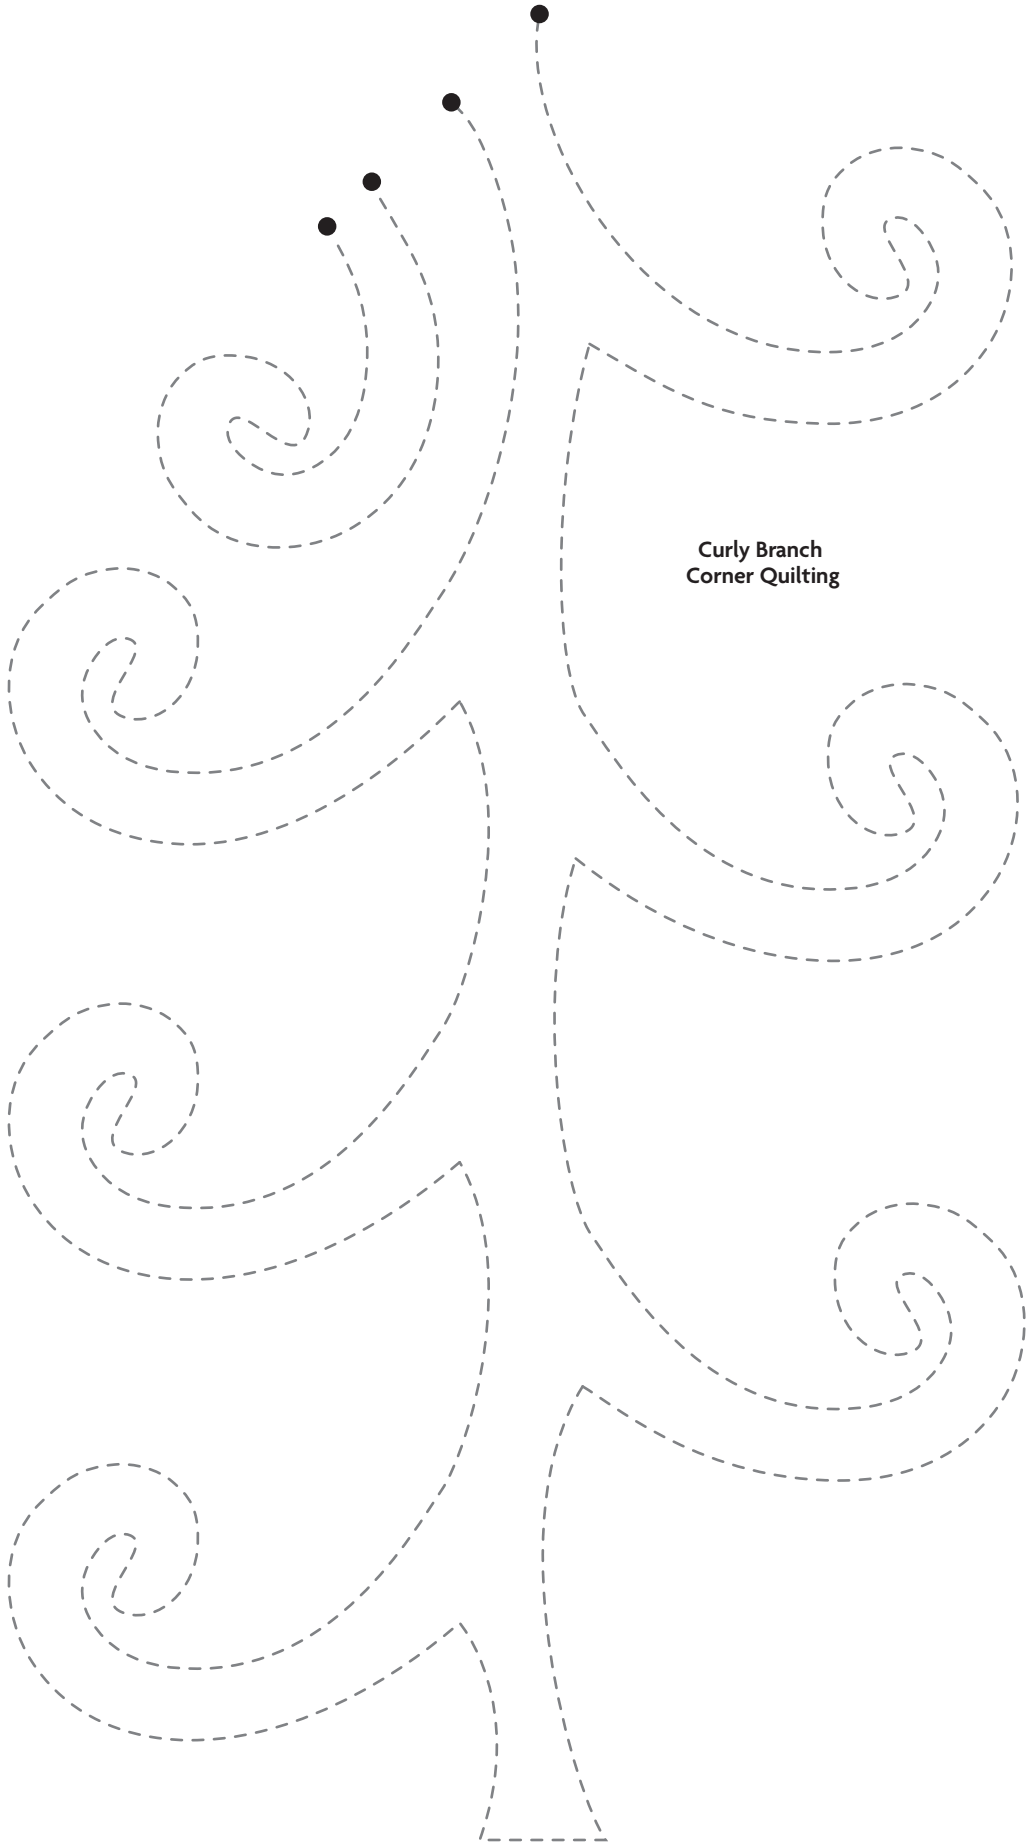

The complete pattern for the quilt was presented in *Quilters Newsletter* in three parts: find part 1 in the February/March 2009 issue, part 2 in the April/May 2009 issue, and part 3 in the June/July 2009 issue. Print these two full-size quilting motifs. Tape multiple sheets together as needed and match the dots to make the pattern for the Curly Branch Corner quilting motif.
