

Mariner's Compass

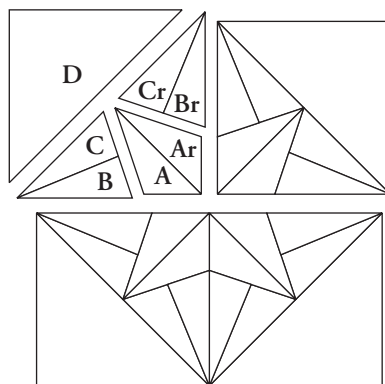

This 12" block pattern is taken from *Quilter's Newsletter Magazine's 50 Best Blocks 2002*, a collection of favorite classic patchwork quilt blocks.

Assembly

Add a 1/4" seam allowance to patch templates. The rotary diagram already includes a seam allowance. Piece four quarter-block units, then assemble a complete block as shown in the Block Piecing diagram.

Practice drafting 8-pointed star blocks as described in *Stars from Scratch by Hand*, with help from Jinny Beyer. This article appears in the March 2004 issue of *Quilter's Newsletter Magazine*.

Block Piecing
