

In a Pickle Border

Part 2

The pattern for Carol Buchan's wall quilt *In a Pickle* is a three-part series that started in the January/February 2008 issue of *Quilters Newsletter*. In the

second part of the series, in the March 2008 issue, we give you the pattern for the foundation-pieced arcs in the border. Please note the border arc is slightly

different than the arc in the Pickle Dish block that's used in the center of the quilt. You'll need 24 foundations; download the PDF and print 8 sheets.
