

Seeing Stars

Transforming Blocks into Six-Pointed Stars

In the April 2007 issue of QN (401), author and teacher Gayle Bong presents her skewed-blocks technique for making unique star quilts. Here are three more quilts made using her method.

CLOCKWISE from right:

Untitled No. 26,
35" x 41", 2007,
by Gayle Bong.

My Kaleidoscope Star,
38" x 44", 2007,
by Kathi West.

Sweetheart Garden,
46" x 51", 2007,
by Pat Weyhrauch
of Williams Bay,
Wisconsin.
